Supplemental Information – Business Description
Regarding the operation of:

Please check all that applies to your business:

☐ **Construction Clean Up (Clark County Code Chapter 6.12.350)**

Any business that removes *construction* material from *construction* sites (including, but not limited to wood, plaster, metals, asphaltic substances, brick, block, concrete and excavation dirt, rock, stone and gravel) and transports said *construction* materials to a disposal site operated by the county or its franchise shall pay an annual license fee of one hundred fifty dollars. *Construction* materials does not include uncontaminated soil, rock, stone, gravel, unused brick, unused block, or unused concrete if they are separate from other solid waste *construction* or demolition debris and are to be used as *clean* fill. If *clean* fill, see the definition of gravel yard in Chapter 9.04 of this code. No refuse or sorting of materials may be processed on the site. A separate license is required for the collection of personal recyclables. (Ord. 2422 § 3 (part), 1999)

☐ **Recycling (Clark County Code Chapter 6.12.855)**

Any person who meets the requirements of Chapter 9.04 of this code and who collects and/or processes materials shall pay an annual license fee of one hundred fifty dollars. (Ord. 2422 § 3 (part), 1999)

PLEASE ANSWER ALL THAT APPLIES TO YOUR BUSINESS:

BOARD OF COUNTY COMMISSIONERS

RORY REID, Chairman • SUSAN BRAGER, Vice-Chair
